

# East Washington School Corporation

## Return to In-person Instruction

### 2021-22

1. East Washington School Corporation will follow the mask wearing recommendations from the Center for Disease Control (CDC), the Indiana Department of Health Services (IDHS), and the local county health department.
2. East Washington School Corporation will continue to provide hand sanitizing stations throughout it's buildings and available in classes.
3. East Washington School Corporation will continue to maintain clean facilities by continuing with updated cleaning protocols.
4. East Washington School Corporation will continue to follow isolation and quarantine recommendations from the CDC, IDHS, and local county health department.. Continuation of learning for students in quarantine will be done virtually. Hotspots will be available for students without WiFi access.
5. East Washington School Corporation will make Covid-19 tests available in nurses' stations for those students and staff that meet IDHS testing criteria.
6. East Washington School Corporation will work with the local health department to make Covid-19 vaccines available to students and staff..
7. East Washington School Corporation will ensure that the accommodations are made for children with disabilities that allows them the opportunity to have the same health and safety policies as non-disabled students have.
8. East Washington School Corporation will work in coordination with the IDHS and the local health department to provide a safe, clean, and healthy school environment.

Included in the May 25, 2021 board meeting for public comment.
