(Based on the advisory level for Randolph County as determined by Indiana State Health Department)

BLUE	YELLOW	ORANGE	RED
<ul style="list-style-type: none"><li>• <b>Masks are optional in school buildings and on school grounds</b></li><li>• <b>Masks are required by federal CDC order on all school busses</b></li><li>• Students should be self-screened by parents prior to leaving the home (See symptoms below)</li><li>• Staff will self-screen daily prior to coming to work. (See symptoms below)</li><li>• Promote good hygiene practices like hand washing and covering your cough.</li><li>• Provide hand sanitizer throughout the school.</li><li>• Water bottles will be encouraged, no sharing of drinks permitted</li><li>• Regularly scheduled cleaning by custodial staff including disinfecting restrooms and sanitizing cafeteria tables.</li><li>• All students eat lunch in cafeteria</li><li>• Assigned seating in all classrooms, cafeteria, and on school busses</li><li>• Parents will be notified when the school is aware their child was in close contact with a COVID-19 positive person so they can monitor for symptoms. Staff will be notified as well. The school will not be quarantining students that are close contacts but will monitor for symptoms.</li><li>• For close contacts within the home, families should follow CDC guidelines for quarantine since the risk of transmission is greater.</li></ul>		<p>Same as BLUE/YELLOW plus:</p> <ul style="list-style-type: none"><li>• Supplemental cleaning and disinfecting of high touch surfaces such as door handles, light switches, handrails, and faucet handles</li></ul>	<p>Same as BLUE/YELLOW/ORANGE with the following modifications:</p> <ul style="list-style-type: none"><li>• Masks are required for unvaccinated individuals in school buildings and on school grounds</li><li>• Desks separated as much as possible and all desks face the same direction</li><li>• Limit large group gathering during the school day and limit spectators at extracurricular events</li><li>• Minimize the use of shared supplies</li><li>• Staggered passing periods</li><li>• Restrict visitors and guest in school buildings</li><li>• Study trips postponed</li><li>• Deep cleaning procedure conducted systematically</li><li>• Modify cafeteria seating to increase social distancing and have students face the same direction when possible</li></ul>

# COVID-19 Screening for Parents (RCSC)

Every morning before you send your child to school please check for signs of illness:

FEVER GREATER  
THAN 100.0 OR  
CHILLS

SORE THROAT

COUGH\* OR SHORTNESS  
OF BREATH  
\*especially new onset,  
uncontrolled cough

DIARRHEA, NAUSEA OR  
VOMITING, ABDOMINAL PAIN

HEADACHE\*  
\*particularly new onset of severe  
headache, especially with fever

NEW LOSS OF TASTE  
OR SMELL

*\*May present with more than one symptom. This list does not include all possible symptoms.*

- 1 Does your child have any sign of illness above?
  - 2 Were you in close contact (within 6 feet for more than 15 minutes) with anyone confirmed with COVID-19?
  - 3 If the answer is **YES** to any of the questions, **DO NOT** send your student to school. Instead, begin isolation of your child and contact your healthcare provider. Have you been tested for COVID-19? Only a positive test or provider diagnosis can confirm if someone has a current infection.
  - 4 Please keep your student home
- ➔ If you have trouble breathing, chest pain, new confusion, inability to wake or stay awake or bluish lips or face **CALL 911!**
