

Health & Safety Protocols for 2021-2022 School Year

Health, Safety, & Facilities Protocols for 2021-2022 School Year

- Each level is specific to one building and data to inform a change will be only that building's data.
- Once a school is advanced to a higher level, they will remain there for a minimum of 5 school days.
- Systematic protocols to keep students, families, staff and the surrounding community safe & healthy.
- Essential actions in alignment with CDC guidelines, Indiana Department of Health and Hancock County Health Department. This includes wearing a mask at all times while traveling on a school bus.
- All procedures are contingent upon any guidance provided by appropriate public health agencies.

GREEN. MVCSC to start the 2021-2022 school year under traditional guidelines with masks for unvaccinated and vaccinated individuals being encouraged, but not required.
