

Taylor Community School 2021-2022 Re-Entry Plan Up Date

Taylor Community Schools will start school **Wednesday, August 11, 2021**. There is a lot of time between now and when school starts. Taylor Schools will be monitoring the situation and continuing to gather information from all facets to ensure the safety of our students and all staff.

Taylor Schools are hopeful that restrictions will be less than current situation. We will still need to Social Distance, Contact Trace, and Quarantine students and staff due to positive cases of COVID-19. Students who have been vaccinated and provided this information to each school nurse will not have to be quarantined and may stay in school.

1. Only In-Person instruction will be offered at Taylor Community Schools
2. If a student is quarantined, students will use the eLearning Platform that is at each School.
3. July 14, 2021, Mask will be Optional but at all Taylor Community Schools and ECA Activities

Recommendations from CDC, IHD, and HCHD are the following:

- **Vaccinated:** Do Not have to wear a mask
- **Not Vaccinated:** Recommended, but not mandated to wear a mask
- **Taylor will allow Optional for Masks:** Will monitor and this could change
- **Federal Mandate:** still mandates mask on all buses at all times
- **Students should be 6' apart in classrooms per CDC without MASK.**
- When eating Students and Staff must be 6' apart
- **Quarantine:**
 - A. **Vaccinated Close Contacts** Will not have to quarantine with the newest guidance that has been provided by the CDC. However, will have to test day 3 to 5 days.
 - B. **Unvaccinated Individuals** who are identified as a close contact must quarantine.

Note: Asymptomatic close contacts may return on day 8 with specific negative testing and precautions, day 11 with precautions, or day 15 without testing on precautions.
