

Randolph Eastern School Corporation School Reopening 2021-2022

Addressing Community Spread at Randolph Eastern School Corporation

Substantial Spread	Minimal or Moderate Spread	Low/No Spread
<ul style="list-style-type: none">COVID spread is such that rolling closures are needed (could be short term or long term)Substantial <u>active exposure cases or absences</u> impacting school building attendance, and staffing	<ul style="list-style-type: none">Establish and maintain communication with Local Health Department OfficialsMinimal or moderate <u>active exposure cases at school buildings</u>	<ul style="list-style-type: none">Establish and maintain communication with Local Health Department OfficialsLow to few known active exposure cases <u>at school buildings</u>

Risk Mitigation Approach

Conduct & Encourage Self-Screening (prevent sick people from attending school)

Promote Good Hygiene (hand washing)

Increased Cleaning & Disinfecting (disinfect surfaces)

Maximize Social distancing (where feasible)

Allow Masks (support those who do)

Decisions based on: 1) medical advice, 2) student & staff safety 3) what is feasible at RESC

Decision Making Model Based on Level of COVID-19 Spread

Substantial Spread	Moderate Spread	Low Spread
<p>Same as GREEN & YELLOW with the following modifications:</p> <ul style="list-style-type: none"> • Masks are required for unvaccinated individuals in school buildings and on school grounds • Desks separated as much as possible and all desks face the same direction • Limit large group gathering during the school day and limit spectators at extracurricular events • Minimize the use of shared supplies • Restrict visitors and guest in school buildings • Study trips postponed • Deep cleaning procedure conducted more extensively • Modify cafeteria seating to increase social distancing and have students face the same direction when possible 	<p>Same as GREEN plus:</p> <ul style="list-style-type: none"> • Supplemental cleaning and disinfecting of high touch surfaces such as door handles, light switches, handrails, and faucet handles 	<ul style="list-style-type: none"> • Masks are optional in school buildings and on school grounds • Masks are required by federal CDC order on all school busses • Students should be self-screened by parents prior to leaving the home • Staff will self-screen daily prior to coming to work. • Promote good hygiene practices like hand washing and covering your cough. • Provide hand sanitizer throughout the school. • Water bottles will be encouraged, no sharing of drinks permitted • Regularly scheduled cleaning by custodial staff including disinfecting restrooms and sanitizing cafeteria tables. • All students eat lunch in cafeteria • Assigned seating in all classrooms, and on school busses • Parents will be notified when the school is aware their child was in close contact with a COVID-19 positive person so they can monitor for symptoms. Staff will be notified as well. The school will determine who needs to quarantine when close contacts are identified. • For close contacts within the home, families should follow CDC guidelines for quarantine since the risk of transmission is greater.
<p><i>As Randolph Eastern Schools work closely with the Indiana Department of Education, our State and County Health Department officials, community, families, and teachers, we will continue to develop plans that consider all aspects of how the community might be affected by the pandemic. Models are flexible and able to be adjusted depending on local conditions. No matter the instructional model in use, Randolph Eastern will strive to offer the best academic experience for our students while keeping our safety in mind.</i></p>
