

We are beyond thankful for the support we received during the 2020-2021 school year. THANK YOU for helping us stay in person ALL YEAR LONG!

South Adams will return to standard operational practices that follow Board policy and student handbook guidelines concerning the health and safety of our students, staff, and school community. However, SA will continue to implement many of our enhanced cleaning and sanitizing procedures that we have learned have a positive impact on the health of our entire SA family. Our goal is to continue best practice for healthy learning environments.

South Adams School District

2021-2022
Healthy Operations Plan

Return to School - MASKS

Masks are optional in school and on busses. However, please be aware that the CDC does recommend masks be worn indoors for all individuals, regardless of vaccination status. Please read <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/k-12-guidance.html> to learn more about the CDC recommendations in order to make an informed decision related to your child wearing a mask at school and on the bus.

Return to School - CAMPUS

All students will attend traditional, in-person school each day.

Enhanced cleaning protocols will remain in place.

Visitors are welcome. Masks are recommended.

Return to School - CLASSROOM

Student seating 3 feet apart. Seating charts will continue in classrooms. Social distancing will be maintained to the greatest extent possible.

Field trips will resume with COVID monitoring prior to trip.

Lunch schedules return to normal. Extra-curricular activities will continue with guidance from IN High School Athletic and Music Associations.

Normal routines will be followed as much as possible.

Return to School - HEALTH

STAY HOME WHEN SICK!

Fever of 100 or greater, sore throat, cough, diarrhea, nausea, body ache or fatigue, headache, loss of taste or smell

BRING YOUR PERSONAL WATER BOTTLE

Enhanced focus to practice personal hygiene measures - frequent hand washing, utilize hand sanitizers.

UPDATE ON QUARANTINE INFORMATION

If anyone in your household tests positive for COVID-19 please contact your family physician for quarantine guidance. If quarantine impacts student attendance please contact the school office. School nurses will provide quarantine guidance ONLY for cases that are school related.

Return to School - OPERATIONS →

Attendance

If your child is quarantined at home teachers will work with the student/family on homework assignments. Parents should follow school attendance reporting procedures if their student is absent.

Cafeteria

The federal government will continue to provide free school meals for all students K-12 during the 2021-2022 school year. The snack bar will be open to grades 6-12 for additional purchases.

Return to School - TRANSPORTATION

Assigned seats/seating charts will be maintained. Siblings will be seated together. Added routes continue to enhance distancing.

Student riders will have one designated pickup/drop off location.

Frequently touched surfaces will be cleaned and disinfected on the bus at the end of each route.

South Adams continues to collaborate, share information, and review plans with the Adams County Health Department and the Indiana State Department of Health, to help protect our entire Starfire community, including those with special health needs.

All details of this plan are subject to change based on Local and Health guidance and or mandates.
