

Plymouth Community School Corporation

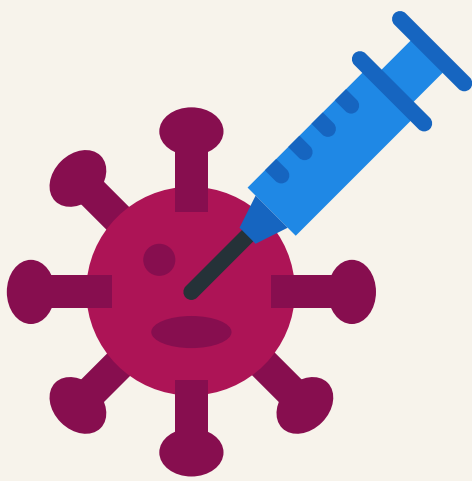

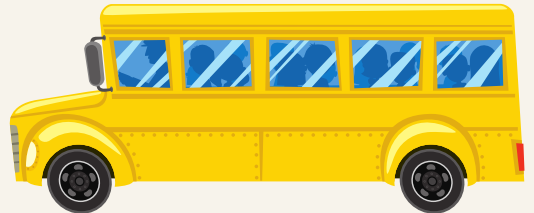

COVID QUICK REFERENCE GUIDE

*with advisement from MCHD
and Indiana Department of
Health*

MASKS

Masks are highly recommended in our school buildings. Masks are **required** on the school bus.

VACCINATIONS

Covid vaccinations are currently **not required** by the Indiana Department of Health.

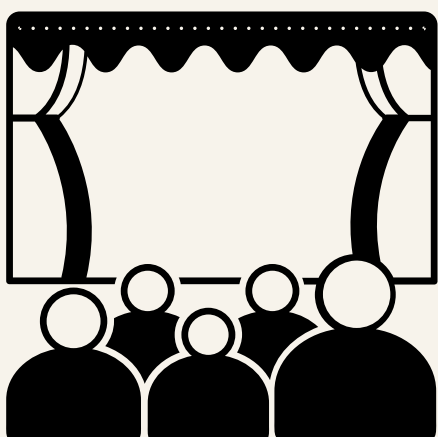

IN-PERSON INSTRUCTION

PCSC will return to full in-person school. We **will not** offer virtual learning for students.

QUARANTINE

If a student is exposed to a person that has tested positive for COVID they will be required to quarantine. Students that have been vaccinated and exposed to a positive case will not have to quarantine unless they are experiencing symptoms. Students will need to provide documentation of their vaccination to the school nurse if exposed.

SCHOOL EVENTS

We will host school events this year and will allow guests. We reserve the right to limit the capacity of the audience if advised by MCHD.
