

North Judson-San Pierre School Corporation Continuous Learning Plan 2021-2022 School Year

July 20, 2021

Delivery of Learning

Delivery of Continuous Learning Opportunities

- NJ-SP will offer our traditional, in-person programming to meet the needs of all students.
- NJ-SP will administer formative assessments to identify skill gaps.
- NJ-SP will offer additional instructional support and remediation for students who show skill gaps.
- NJ-SP will conduct regular meetings throughout the year with teachers to identify where students are academically.
- NJ-SP will offer tutoring sessions after school for students who need extra time and support in academics.
- NJ-SP teachers will prepare for potential future eLearning/remote learning.
- Teachers of our special student populations will provide direct assistance with their students person-to-person as specified in their IEP, 504 plans, or ILP.

Achievement and Attendance

Avenues for students to earn high school credits

- The NJ-SP Continuous Learning Plan provides avenues for our students to recover high school credit:
 - by utilizing the Apex Software and by completing courses via Google Classroom and/or;
 - re-taking courses that were not passed in previous grading period(s)

Attendance Policy for Continuous Learning

- Student attendance for students participating in learning at school will be based on physical attendance in each class.

Long-term goals to address skill gaps for the 2021-2022 School Year

- NJ-SP has hired two (2) Interventionist—one in each building—to service students demonstrating deficiency in the area of Mathematics and/or English Language Arts.
- NJ-SP has hired two tutors to assist students demonstrating deficiency in Literacy and/or English Language Arts

Staff Development

Professional Development Plan for Continuous Learning

- NJ-SP Teachers continue to participate in professional development regarding quality digital delivery of instruction.
- NJ-SP Teachers will have future opportunities to refresh, follow-up, and build on the digital delivery of instruction skills during the 2021-2022 School Year.
- Teachers have collaboration time built in to the school year to work collectively on analyzing and interpreting data in order to plan quality instruction.

COVID-19 Measures

The Center For Disease Control (CDC) has ordered masks required on public transportation, which includes school buses. The Indiana Department of Health recommends that unvaccinated staff and students wear masks when social distancing cannot occur and that masks are not necessary for vaccinated staff and students

North Judson-San Pierre School Corporation's stance regarding Masks:

- Masks are optional in school.
- Masks are mandatory on the school bus until order changes.

Isolation/Quarantine

- Individuals should stay home for 10 days following the onset of symptoms or a positive test result.
- Vaccinated close contacts do not have to quarantine, but should monitor for symptoms.
- Unvaccinated close contacts must quarantine as per health department guidelines.

Reporting

- NJ-SP will report all positive cases and close contacts via the Indiana Department of Health Gateway portal.
